Thinking Mobile TM

Dear Mobile Marketing Winner\$ Team Member,

Mobile Marketing Winner\$ are a network of marketing and PR specialists. We are dedicated to educate and coach, consult and support to save you time and money when it comes to engineering your mobile marketing campaign.

The mobile industry seems to be overshadowed and overpowered by technology. We thought that a conference focused on easy to understand practical applications of mobile technologies is long overdue.

Today we give you a a sneak preview at the up and coming *Thinking Mobile* TM conference.

P.S. Check out our mobi mall on myMOBworld.mobi (accessible world wide on your cell phone or computer)!

The Mobile Marketing Winner\$ team will host the *Thinking Mobile* TM Conference Series. The Series is aimed at NGO's, Parastatals, Business Owners, Marketing-, Communication- and PR Professionals, Business Experts and Coaches, Media Buyers and Product-, Brand- and Event Managers.

The first leg of this African conference series will be held on 20 August 2009 in Johannesburg, South Africa. It is envisaged to hold at least one more conference in an African country this year.

Key note speaker at the Johannesburg leg will be US mobile marketing guru Kim Dushinski.

The *Thinking Mobile* TM Conference Series will, for the first time in Africa, give delegates a complete overview on everything mobile. However, the focus of the conference is on practical applications of mobile technologies.

Parties interested in speaking at the conference or becoming a conference partner can email info@mymobworld.com
